Architectural Review Committee Decision: Approved Disapproved

This Project DOES DOES NOT Require a project completion form

ARC requirements or comments:

- *Structure and site preparation shall not in any manner adversely affect or interfere with the established drainage patterns over any neighboring lot or adjacent common areas.*
- *Homeowner shall comply with all federal, state, and local land use regulations.*
- *It is the homeowner's responsibility to contact the City of Corvallis building department to determine if a building permit is required. ARC approval does not indicate City approval. ARC application approval is voided if an owner does not apply for a building permit and receive final approval from the building department when a permit is required for a project.*

The Architectural Committee or its representative will acknowledge receipt of the proposal within 10 days after having received all materials required by the application. The Architectural Committee evaluates the proposal and approves or rejects the proposal as soon as possible, but in no event later than 30 days after its receipt. A copy of the completed request signed by the ARC representative will be emailed to the Owner's email address listed on this application unless other application of notification is requested by Owner.

In addition to all costs incurred by the Owner in completing this project, the Owner shall be responsible for any costs incurred by the Association as a result of the work performed on this project including, but not limited to, additional expense incurred to obtain and/or record legal documents, conduct required inspections, and to perform maintenance required by the rules of the Association or any governmental agency.

The Owner shall be responsible for all damage to property, injury to persons, loss, expense, or inconvenience that may be caused by, or result from, the work performed on this project, as well as from any act, omission or neglect of the Owner or the Owner's contractors and agents.

The Owner shall indemnify, defend (with counsel approved by Association), and hold harmless the Association and its officers, directors, agents, and members from and against all liabilities, damages, losses, claims, expenses (including reasonable attorney fees), demands and actions of any nature whatsoever which arise out of, result from, or are related to (a) any damage, injury, loss, expense, or inconvenience resulting from work done on this project, (b) any accident or occurrence which happens or is alleged to have happened at the project site, (c) any lien filed upon the project or bond claim in connection with the work (whether the lien is filed against the Owner or the Association).
